

# Adult Faith Formation

St. Dominic Parish fully embraces the importance placed upon adult faith formation in parish life as described by the United States Catholic Bishops. The pastoral staff strives to offer a learning environment that inspires, informs and challenges adults to embrace the Catholic Church and to deepen their relationship with God and live a life that reflects the teachings of the Gospel. We invite you to join us as we try to become better informed people of faith empowered to share the good news of Jesus Christ.
