

Adult Faith Formation

The pastoral staff is committed to creating and sustaining events and programs that nurture the development of mature faith in adult Catholics. The American bishops have stated that the education and Christian formation of adults must be a priority for the Church. Therefore, at St. Dominic, we provide many opportunities for spiritual growth and education, which we hope will lead to greater appreciation of the richness of our Catholic faith, and to a deeper commitment in spreading the Good News of Jesus to others.
