In general the same rules apply for After School Care as for the regular school day. Please review these rules with your child. They will be posted in the After School Rooms.

Each day, students in the program will be expected to sign in when they report to after school care. Assistance will be given to smaller children. The person picking them up must sign students out each day. Students will only be released to parent/ guardian, or person listed on the registration form under pickup authorization. Any exceptions to the release of your child must be in written format. Students in after school will not be released for sports practice, scouts, choir, band practice, club meetings, etc., without the written permission of the parent/ guardian.

A snack and beverage will be provided for students each day. Students who wish to bring additional snacks may do so.

Time will be allotted each day for students to do homework. If you want your child to take advantage of this homework time (2nd –8th grades only), please mark the appropriate space on the parental agreement sheet.
