

Dear Parents,

We have enrolled our first grade classes in the BOOK IT! Program this year. The program runs October through March. It is very simple and the kids really enjoy it. Your child will have the opportunity to earn Reading Award Certificates by meeting monthly reading goals that we will set. The goal for first graders is 10 books a month. The Reading Award Certificates can be redeemed at Pizza Hut where your child will receive a BOOK IT! Award and a free, one-topping Personal Pan Pizza. You will have 30 days from the date of the award to redeem it and there is no purchase necessary. Please fill out the Reading Log and turn in by the end of the month to receive your certificate. This can be printed from our web page. If you have any problems or questions, please feel free to let us know and we will be glad to help.

We strongly encourage you to help your child meet these goals by making sure they read every day.

Thank you,

Kate Galle      Anne Galloway
