Dear St. Dominic Families,

It is hard to believe we are beginning registration for the 2023-24 academic year. This year we have initiated the process of online registration. It was opened on Tuesday, January 3rd and we have had great results so far. We continue to offer a strong academic program rooted in our Catholic Faith. Our excellent academics is matched by our art, music, band, computer science, algebra and Spanish programs and supported by our counseling, library, physical education and resource. Participation in dance, Scholars Bowl, Eagle Theater, Crochet Club, Run Club, Kindness Club, Angels on a Mission, Junior CYO, Boy Scouts, National Junior Honor Society, and Student Council among others, keep us well rounded individuals. Our students participate in the Virtues Program and are expected to practice self-discipline and develop a strong moral compass. We are focused on encouraging good intrinsic motivation and want our school to be a place where we are kind, hardworking and faith filled not because we expect something in return, but because it is the right thing to do. I thank you for your support of our school and for your prayers. Shaping good humans is a vital yet challenging task. You are welcome to visit and see all of the good things happening here. Just stop by the school office.
